CLIENT AGREEMENT

Dear Friend,

I appreciate the privilege of facilitating your growth and healing. This is an exciting step that can bring learning and healing on many levels when we as individuals take the responsibility for our life experience and take a very active part in the change process. There are no guarantees of cures with energetic healing, coaching and health education. However, if you are willing to stay open-minded, practice the tools offered, and do the take home assignments, the results may amaze you.

The following are legal and business items we need to cover:

CONFIDENTIALITY

- I do report suspected child or elder abuse to the appropriate authorities. I must also take action if I have reason to believe clients are going to harm themselves or others. It may also be necessary to break total confidentiality in the event a subpoena is issued, or in civil or criminal suits.
- I will discuss your treatment with other interested parties (such as another healer or physician working with you) only after I have received written permission from you.

NOT A MEDICAL PRACTICE

I am not a physician, and as such never diagnose or prescribe. As a reverend in the Universal Life Church, I am legally permitted to provide hands-on energetic healing, medical intuitive services and coaching as a part of my ministry. Having received a Masters Degree in Public Health, I am also a professional health educator. I appreciate the dynamic and compassionate efforts of Western, Eastern, and Native health professionals & services, and I work cooperatively with them. In turn, physicians and the broader medical community have referred their patients to me for cooperative treatment. It is my belief that together we offer a more complete approach to healing.

At times, I will describe what I see happening within your body or energy field. Viewing a body is often very symbolic, but these views often suggest possibilities of diagnosis or potential treatments to consider. As my information is often symbolic, it does not always translate into literal reality, and no intuitive is ever 100% accurate. Please talk with your physician regarding any possibilities that I may suggest for actual medical diagnosis & treatment strategies.

CANCELLATIONS

Clients must provide two (2) business days notice to either cancel or reschedule an appointment. If less than business days notice is provided, clients will be charged the full fee for the appointment. Diane's office phone is available to you to leave a message with notice of cancellation or desire to reschedule. 415.795.1202 x602. Please leave your return phone number on the message to expedite a returned call.

EMERGENCY PROCEDURES

If you need to contact me between sessions, please leave a message with my voicemail by dialing 415.795.1202 x602, and your call will be returned as soon as possible. If an emergency situation arises, please dial 911.

FEES

Payment is due at the time of service. I accept payments by cash, check made out to Diane Vickers, Visa, MasterCard, Discover or American Express. \$150 per 50 minute session. \$225 per 80 minute session.

INSURANCE REIMBURSEMENT

Insurance companies generally do not cover energetic healing & coaching sessions. Insurance may cover health education in a small number of cases. Please do not rely on insurance companies for reimbursement.

With blessings,
Diane Vickers
